

Boilers & Water Heaters Error Code Quick Reference

errorcodefixes.com · Updated May 2026 · Deep-dive cheat sheet on boilers & water heaters fault codes.

This is the focused Boilers & Water Heaters cheat sheet — every entry below is a common fault you'll see in the field, with the meaning, the most likely cause, and a link to the full diagnostic guide on errorcodefixes.com.

Burnham Series 2 Boiler Error Codes: Complete Guide

Burnham Series 2 boiler error codes and fault diagnostics. Fault codes, lockout causes, and technician-level troubleshooting for Series 2 cast iron boilers.

<https://errorcodefixes.com/posts/burnham-series-2-error-codes/>

Navien NFC Combi Boiler Error Codes: Complete Guide

Navien NFC combi boiler error codes and fault diagnostics. E-series error codes, causes, and technician-level troubleshooting procedures.

<https://errorcodefixes.com/posts/navien-nfc-error-codes/>

Weil-McLain Ultra Series Boiler Error Codes: Complete Guide

Weil-McLain Ultra Series boiler error codes and fault diagnostics. E-series fault codes, causes, and technician-level troubleshooting procedures.

Laars Boiler Fault Codes — Complete Fix Guide

Laars boiler fault codes for Laars Mighty Therm, Pennant, and NeoTherm series. What each code means and how to fix it.

<https://errorcodefixes.com/posts/laars-boiler-fault-codes/>

Vaillant Boiler Fault Codes — Complete Fix Guide

Vaillant boiler fault codes for ecoTEC, ecoFIT, and turboTEC series. What each code means and how to fix it.

<https://errorcodefixes.com/posts/vaillant-boiler-fault-codes/>

Bosch Greentherm 9000/9800 Error Codes — Complete Fix Guide

Bosch Greentherm 9000 and 9800 error codes A0, C7, E9, BB explained. Diagnose and fix ignition failure, fan faults, and burner lockout on Bosch tankless heaters.

<https://errorcodefixes.com/posts/bosch-greentherm-error-codes/>

Lochinvar Knight Boiler Error Messages — Complete Display Guide

Lochinvar Knight boiler display messages explained: Flame Fail Ign, Air Pressure SW, Fan Speed, Flow Switch LWCO, Fatal Error. Step-by-step diagnosis and fix guide.

<https://errorcodefixes.com/posts/lochinvar-knight-boiler-error-codes/>

Navien Error Code E021 — Cold Water Inlet Thermistor Fault Fix

Navien error code E021 means the cold water inlet thermistor has an open circuit. Learn how to diagnose and replace the NTC sensor on NPE, NPN, and NCB series units.

<https://errorcodefixes.com/posts/navien-error-code-e021/>

Navien Error Code E022 — Hot Water Outlet Thermistor Fault Fix

Navien E022 error code means the hot water outlet thermistor is shorted or open. Learn how to diagnose the NTC sensor and wiring on Navien NPE, NPN, and NCB models.

Rinnai Error Code 07 — Heat Exchanger High Temperature Fix

Rinnai error code 07 means the secondary heat exchanger exceeded its temperature limit. Learn the causes, diagnosis steps, and fixes for non-SENSEI Rinnai models.

<https://errorcodefixes.com/posts/rinnai-error-code-07/>

Rinnai Error Code 10 — Condensate / Exhaust Blockage / Fan Motor Fault Fix

Rinnai error code 10 signals a condensate drain blockage, exhaust restriction, or fan motor failure on SENSEI and non-SENSEI series — here's how to diagnose and fix it.

<https://errorcodefixes.com/posts/rinnai-error-code-10/>

Rinnai Error Code 29 — System Communication Fault Fix

Rinnai error code 29 indicates a system or communication fault on Rinnai tankless water heaters. Learn how to diagnose PCB failure, sensor faults, and wiring issues.
